PROFILE

I am Full-Stack Developer seeking a full-time position where I can apply my knowledge and skills to create web applications and provide technology solutions to allow business units achieve their objectives and goals.

EXPERIENCE

OPTICIAN

NLOOK EAST OPTOMETRY | MARCH 2017 - MAY 2018

- Pretested patients to see the Optometrist.
- Assisted patients in selecting glasses.
- Made recommendations for lenses depending on the patient's glasses prescription.
- Ordered glasses.
- Verified glasses prescriptions that returned from the lab.

OPTICAL TECHNICIAN

OPTICAL LABORATORY IN HUNTSVILLE AL | MAR 2010 - APRIL 2011

- Assisted in mounting cut lenses into frames.
- Tinted lenses as needed.

DENTAL LABORATORY TECHNICIAN

ORAL ARTS DENTAL LAB | MARCH 2099 - APRIL 2010

- Assisted in creating metal copings for crowns and bridges.
- Worked with CAD/CAM laser sintering to create copings.
